General Information

IMPORTANT POLICIES

Standards of Behavior (PLEASE READ CAREFULLY)

Fostering respect for individuals, for the arts, and for education is the foundation upon which expectations of student behavior are based. Because most students are responsible and focused in their artistic pursuits, the Summer Program does not emphasize rules at the expense of learning and creativity. At check-in, students are asked to sign a Student Contract outlining basic rules of behavior. A few policies pertaining to safe and cooperative communal living, and adherence to State and Federal laws are enforced rigorously.

- 1) Smoking is prohibited for all Youth, Junior Artists and Children's Center students. Students found smoking or in possession of cigarettes or other tobacco products will be expelled with no refund of fees.
- 2) Minor students—under the age of 21—found in possession of alcohol, and any student found in possession of illegal drugs or drug paraphernalia will be expelled with no refund of fees.
- 3) Vandalism against and theft of property and possessions of the school or other students will not be tolerated and will result in immediate expulsion with no refund of fees.
- 4) Acts of violence, real or threatened; harassment or intimidation of any member of the school community will not be tolerated and may result in expulsion with no refund of fees.
- 5) Youth, Junior Artists and Children's Center students may not leave the campus without written parental permission and the consent of the Dean of Students. Students found off campus are subject to expulsion with no refund of fees or other disciplinary measures.
- 6) Appropriate behavior and dress are expected at all times.
- 7) Pets are not allowed on campus. There are no exceptions to this rule.

Check Cashing Policy/Cashiers Office

A safeguarded cash deposit system is available on campus for teenagers and children. They should bring cash only for spending money; upon arrival, students may deposit money in the bank from which they may withdraw small amounts daily. Only small bills should be deposited since we are unable to make change from large bills or checks.

The campus cashier will cash personal and travelers checks up to \$20. The Idyllwild branch of Guaranty Federal Bank will cash traveler's checks, cashier's checks, and money orders.

SCHOLARSHIPS

The mission of the Idyllwild Arts Summer Program includes a commitment to provide financial aid, where needed, for talented young artists from diverse backgrounds. Because we are a private non-profit educational institution, scholarships are awarded from funds donated specifically for that purpose. All awards are based on the following criteria:

- 1) Financial need of the student
- 2) Talent of the student in a specific arts area
- 3) Need of the program to strengthen a particular ensemble or production

Although the majority of donated funds may be used to help any qualifying student, some funds are restricted to the following groups:

Gifted and Talented. Students 8–18 years of age who are identified as Gifted/Talented or who are enrolled in a Gifted/Talented program are eligible to apply for these endowed funds.

Native American. Students 9–12 years of age and of Native American ancestry may apply for these funds donated by an anonymous foundation.

Female High School Music Students from Single-Parent Families. Students meeting these qualifications must enroll in a music course in order to apply. Very limited funding available.

Size of Award

In general, the maximum award that may be granted is half the cost of tuition, room and board for one Children's Center, Junior Artist or Youth two-week course. In rare circumstances, a larger award may be granted to students with exceptional financial need. Idyllwild Arts does not offer financial aid to adults.

Scholarship Application Procedure

1) Apply for admission to the Summer Program by completing the enclosed registration form and sending it with the \$25 application fee and \$225 deposit for each course to:
